

Thank You Virginia Moose!

On July 4th, a horrible fatal accident impacted one of our members, as her granddaughter and unborn great grandchild were killed in an auto accident. The family has numerous medical and funeral bills mounting. Our lodge, "our family", banded together and put on a benefit on Saturday, September 1st.

The outpouring of love and generosity was amazing. In just 4 hours we, as a Moose Family, raised over \$5300 for the family. If ever a reason for being a moose member was defined, this event surely defines it.

When a member is in need, we always pull together and show our support. This relights the fire inside all our members to put our Moose on a Mission Statement of Family 1st are the forefront of everything we do.

Thank you to NewMarket Entertainment, Powerhouse Gaming, Lakeside Moose Legion, and the countless volunteers, along with Cobalt Whiskey who provided the music for the evening, a sincere heartfelt thank you from our lodge and from the family. This was an amazing night, for a great cause, and just shows what if you band together you can accomplish.
