

New Executive Director of Moose Charities

May 3, 2018

It is my privilege to announce that our new Executive Director of Moose Charities is Pam Amundsen! Pam has served as the Director of Development in Moose Charities, beginning in 2008 until present time. She has an incredible passion for the care of our children at Mooseheart and our seniors at Moosehaven, which translates into raising the necessary funds to support both cities. Under the mentorship of Jan Fregulia, Pam proved herself capable by creating valuable fundraising/donor recognition programs and became the clear choice to lead

Moose Charities going forward. Although Jan will be stepping out of some very big shoes come June 2nd, Pam is up to the challenge to grow into them starting June 3rd.

Please congratulate Pam on her new role of service to our fraternity and our Twin Cities! I trust you will lend her all your support.

Sincerely and fraternally,

Scott D. Hart
Director General
Moose International
