The Diploma Fundraiser is great way to support the future of the high school students in our communities

Lodge and Chapter Members,

For the month of April we are inviting you to become part of **"Team Virginia"** Youth Awareness Program, through the **Diploma Fund**. The Virginia Moose Youth Awareness Program is a scholarship opportunity for area 9th – 12th grades that compete for a \$1,000 VMA scholarship, and with that an, all-expense paid trip to compete at the International Moose Youth Awareness Congress. There the students have an opportunity to compete for a \$12,000, \$8,000, \$5,000, \$3,000 and \$2,000 additional scholarship. Take pictures of your displayed diplomas and we will put those on our vmayouthawareness.org website. Submit those pics to manny.propst@comcast.net

Purchase a \$1 Diploma and place your name in the box and display these in your lodge home. At the end of April sent your donations to the VMA Office C/O VMA Youth Awareness Program.

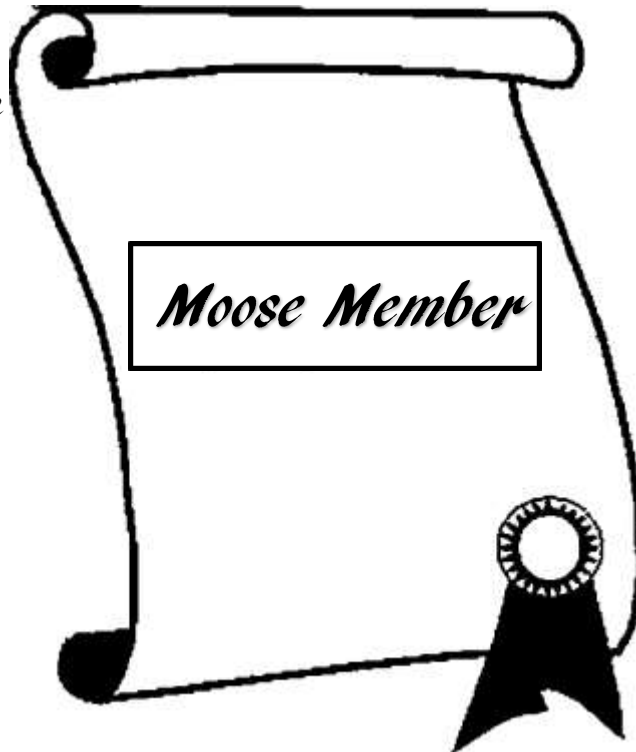

The diplomas come 4 to a sheet and a flyer for you to print out as many diplomas as you might need. Ask your lodge and chapter members if they would be so kind to participate and become part of **"Team Virginia"** your contribution and support are greatly appreciated.

Thank You,
