

**Virginia Moose Association Fellowship Conferral**  
**Dates and Locations for 2020**

Due to various considerations surrounding and because of safety guidelines concerning COVID19, the association has made alternate plans (outside a typical in-person convention setting) to conduct the conferrals of approved Moose Legionnaire candidates into the Fellowship Degree of Honor.

Below are the dates, times, and locations of the planned fellowship conferrals for Virginia for the 2020 year. There will be (3) conferral ceremonies planned, as noted.

A candidate may attend any one of the three. Please note that this is a closed meeting. Only current Fellows, Pilgrims, and approved candidates may attend the actual conferral.

All candidates are requested to wear a coat and tie. Fellows and Pilgrims regalia is encouraged.

The dates and information for the conferral is listed below.
