

Woodbridge Moose Lodge 583....Taking Care of our Frontline Heroes!

During the COVID 19 Pandemic, many of our Moose Lodges have been closed. The Northern Virginia Area is no different and has been one of the hardest hit areas in Virginia. This doesn't stop what the Moose does.

Members of the Woodbridge Moose Lodge 583 in Lorton Virginia spent a day making homemade Lasagna and all the trimmings. Then spent the afternoon delivering the food to the local first responders. Between the State Police and the Lorton Volunteer Fire Department, there were some very happy and well fed people! Once they added on the Gunston Fire and Rescue and Fairfax County Police Local Precinct, they had blanketed the whole community! Moose members worked hard to make sure that others know that we appreciate everything they do and continue to do during these times- Letting others know that they are important.

Hats off to the dedicated Moose Volunteers – Brian Mosser, Danny Mixon, Ray Richards, Mona Hardy, Rob McGowan, Mark Schwaim – who helped to spread a little sunshine and gratitude in an otherwise uncertain time.

Thank you Woodbridge Moose Lodge #583 for standing Moose Strong!
