PORTSMOUTH MOOSE LODGE VALUED VETERANS FLAG POLE FUNDRAISER

Brothers and Co-Workers,

The valued Veterans of Portsmouth Moose Lodge met in November and took on a project to put a new 40 foot flagpole in the center of our grass section, just in front of the monument . Another flag pole the size of our existing pole will be erected to the right side of the monument. The two flagpoles on each side will fly the Virginia, POW, and MIA flags. The 40 foot aluminum flagpole in front will fly a 8x12 American Flag. With lights on the flags, they will fly 24 hours, around the clock to honor our valued Veterans, first responders, Moose members, Brothers, Co-Workers and all . A walkway will surround the new 40 foot flagpole with names on the bricks for anyone you would like to honor. Bricks are \$50 each with the engraved name. You can also add a personalized insignia to honor military service for an additional \$2. This will be a lasting memory for your loved ones, and a beautiful sight when the flags fly on Memorial Day in 2019. The Committee Chairman is Carlos Williams, our Valued Veteran of the year. On the Committee is: Leroy Coleman, Bob Knight, Peck Seader, and Senior Regent Katie Stewart. Please see one of the Committee Members to help you purchase your brick.

Note: After you purchase your bricks, you can pick a tag with the number on it. This number will be where the brick will set in place on the walkway.

Thanks for being a Moose.

From the Governor,

Brothers and Co-Workers,

February is known as the month of love and we all need to share a little bit of it around the lodge these days. So let's all be kind to one another and learn how to talk out our differences.

During last month's Mid-Year Conference, several topics were covered starting with membership and the declining numbers that are not staying around after their first year. Next was decorum and how to act like ladies and gentlemen in the Social Quarters/Game Room or anytime on the property. Then we covered the Incident Report Log and the importance of detailed reporting and who can make an incident report. There was a brief discussion on the 'Stand as One' program, which would allow the lodge to have LOOM and WOTM as one lodge. With all having equal members rights to vote on lodge operations. And finally, the recommended changes from Moose International to the by-laws that it includes the vote on going non-smoking in all Moose Lodges. Please note, this change will probably remain on the rules ballot at all future Moose International Conventions until it is passed. I would like to thank all the volunteers that helped in the District One Hospitality Room by bringing in food and drinks, working the pull tab table, serving beverages and checking badges. Dave did a great job in keeping the music going and singing our favorite songs that we all enjoy, as well as keeping the dance floor hopping. Once again, Portsmouth Lodge, men and ladies stood out and the District 1 President was more than thankful for our support. A special thanks to Taunya and Jerry for organizing and setting up the room. We can all work on membership and showing new members all the things that happen in our lodge, but I think it starts by just getting involved. You see what is going on and providing input to issues or projects that are needed. Secondly, we must help one another in keeping our lodge clean i.e. cleaning off your table and moving any furniture back to its original place. And finally, we should be telling friends and family about our lodge and all the good we do in our community and organization. The bottom line is the more members that we get involved, the more the lodge grows and the more successful and longer we will be around. Success starts with each one of us.

In closing, the fastest way to communicate your ideas, concerns, or even a suggestions is to contact me at 375-5655 and we will schedule a time that you can come and speak to the Board of Officers: "Comments in the Social Quarters don't have much value, but ones made in a Lodge meeting are worth their weight in gold."

Fraternally yours,
Robert Logan

SEE A VET - THANK A VET

Never pass up a chance to thank a Veteran for his or her service. Let them know that we appreciate their sacrifice and dedicated service.

From the Senior Regent-

Hello coworkers, I hope your January and the new year brought you all a fresh outlook and many great things. Last month was a great month. Community service chairman, Erica Saunders put on a great jitney and game party. Junior Regent Kathy Saunders put on a Sunday game party like a pro. Thank you both for working so hard for our chapter! Who can forget all the fun and time spent learning or seeing friends from all over the state that took place at the mid-year conference in Norfolk? Four of our coworkers were conferred into the Academy of Friendship as well. A big congratulations to Stephanie Niavez, Patti Hollingsworth, Jessyca Yoakum and Cathy Fox! The official Visitor, Kim Pettit was so much fun and made our time spent in session both informative and enjoyable. The hospitality room was great as well, I hear the food was amazing. I hope you had the opportunity to hear my report also.

Moving on to February, we have a lot of fun events planned. On the 2nd Moose Charities Chairman, Jessica Hedhli will be holding our annual rock-a-thon from 1-5 in the Social Quarters. Come watch some movies, spend time connecting with other coworkers and raise some money for Moose Charities! On the 3rd we will have a paint party at 3, the cost is \$30 and half of the fee comes back to the chapter. Come out and have a good time painting and enjoy some more fellowship with coworkers. Look on the Facebook page for a picture of what we will be painting. February 9th will bring with it our first ever Valentines, Denim and Diamonds Dance from 7 to midnight in the back hall. Cost is \$15 per person or \$20 per couple. Put on some of your favorite denim or sparkly outfits and come dance with us! Please bring an appetizer to share. There will also be a cash bar. We are really looking forward to this event. On the 14th Mooseheart/Moosehaven chairman Linda Bagwell will be holding her jitney/game party at 6pm. Please come out and support Linda and the chapter. We love these events but they are only a success with your participation. Bring a friend and show them what this moose life is all about!

1/19/2019!!!WOW WHAT A NIGHT!

We should all be very proud of our 898 Portsmouth Moose Lodge, our new social quarters with our new Valley tables was a major success. With 26 pool players from various lodges playing some of the most exciting 8 ball and giving all the players and the many spectators a real look at pool playing at its finest. The 898 staff were fabulous, the tournament was run with major excitement and everyone buzzing, laughing, and being very supportive of the action they experienced. With over \$1000 in prize fund, all the players can't wait for the next event, which will take place on Feb. 16, 2019. There is no doubt that the investment in the 898 pool room is a major success, many thanks go to the leadership of our 898 lodge and the hard-working staff in supporting a great pool venue. Here are the results of the tournament:

1st Place had a joint final with John Ruggiero (898) and Robert Cartwright (898) taking top prize.
2nd Place also had a joint finish with Red Summers and Jeff Kiser both of (898)
5th & 6th place were Ronnie Williams (898) & Marshall Hearst (Aragona)
7th & 8th Place were Jack Davenport & Rob Wilkins of (898)
Red Summers of 898 hit the Big Rack for \$48; Irene Green of (966) won a pool stick.

Our pool activity is growing and with our Monday League, our Friday night tournaments and our Sunday league and now with our featured Monthly Saturday tournaments, our social quarters pool room is the talk of the town. We are planning a 3-person Thursday night league if anyone is interested please contact JR 681-1815. Once again we the players thank the leadership and staff of our 898 lodge for a tremendous job supporting our pool venues. Special thanks to my helpers at the tournament (Red Hartley, Tommy Scott, and Brenda Hartley). Pool is alive and well at Portsmouth Lodge 898, come and see the action and support our pool room activities.

From the Administrator:

Well, we made it through another Virginia Moose Association Mid Year Conference. Thanks to Jerry Ayers and his awesome team for a successful District One Hospitality room. Big news about Moose International Annual Convention. Changes in the General Laws up for vote- All lodges going mandatory non-smoking. Should be an interesting time in Las Vegas.

We are entering the last quarter of the 2018-2019 Moose Year. It will soon be election time for new Board of Officers. If you are interested in running for office, contact Governor Logan for a nomination form.

I hope you are looking forward to our joint event, the Valentine "Denim & Diamonds" dance on February 9.

Then it's on to Legion 199 Winter Celebration in Virginia Beach, Feb 21-23. Lodge 898 has a hospitality room again this year. Please do what you can to donate food or drink to help make this a successful endeavor.

ANNOUNCEMENT:

You may have already heard, but if not, here's the scoop. Portsmouth Moose Lodge has a new text message service that allows the Lodge to send informational texts to all of our members. All you have to do is text, in all caps, MOOSE898 to 474747. You will receive a text acknowledgement to show that you are signed on. Get on board!

We are trying to look for Friday night activities that will bring more Members to the Lodge. We have been doing family movie night on the 2nd and 4th Fridays, but now we want to try adult movie night on the 3rd Friday. Feb 15 will be our first try. We plan to show "A Star is Born".

Don't forget Sunday Feb. 3 is the big game and we plan on having a 'super' time. There will be free food, plus you can bring your own snacks to share, it should be lots of fun.

Would you participate in a community garden? During the spring, one of our members, Tim Neal is going to till the area where the horseshoe pits use to be. Anyone wanting to plant a plot is welcome. Hopefully we will get enough folks so we will have an abundance of veggies to share.

You know I'm going to talk about membership. It's getting to be crunch time. Did you know that you can become a 'Preferred Member' just by sponsoring one member? Why not? I'm sure you know one person that wants to help our Children at Mooseheart and our Seniors at Moosehaven ! Sign them up.

Until Next month, fraternally,

Bob Knight Administrator

Golf League News

Welcome to 2019 Golf Season and all the changes the PGA has done since we last played. First, you now drop your golf ball from your knee vice shoulder height for any lost ball. Secondly, you may leave the flag stick in the cup while putting on the green. Some of the changes that were made for the league will include, the skins contest and how you're individual handicap will affect the skins scores. This will be explained in more detail during our kickoff meeting that has been scheduled for February 22 at 7pm in the Little Moose (same as last year). I will go over any other changes at this time as well as the rules and regulations and the courses for the year. If anyone is looking to setting up an event, outside our schedule, you can use our Facebook page ([Moose 898 Golf](#)) as a great way to get the information out to all the members in the league.

Bingo has been hurting for volunteers and the lodge is asking for some help on Wednesday and/or Friday nights. All you need to do is check in at the desks and they will help you. There are several positions that are very easy to learn. Lastly, anyone wanting to pay their annual \$20 league dues may do so any time. Just remember to get your team number if you are teaming up. So, let's get off to a good start.
