District 3 meeting will be held November 4th at the Tappahannock Lodge at 1pm.

A child asked his father "How were people born?" So, his father said, "Adam and Eve make babies, then their babies became adults and make babies, and so on." The child then went to his mother, asked her the same question and she told him, "We were monkeys then we evolved to become like we are now." The child ran back to his father and said, "You lied to me!" His father replied, "No your mother was talking about her side of the family"

Q: Is Google male or female?

A: Female because it doesn't let you finish a sentence before making a suggestion.

Q: Why is Santa so jolly?

A: Because he knows where all the naughty girls live.
