## Greetings from your Governor,

Election time is upon us. Please support your candidate.

To operate as a successful Lodge every member has a responsibility to support, provide input, express concerns and attend meetings. We would really like to have you as an active member. Warmer weather is coming, and we would like to have more activities and events. Your ideas and suggestions are encouraged.

**\*\*Moose Legion Members:**  
remember we will have our  
meetings the first Tuesday of  
every month at 6:30pm.

I greatly appreciate all of you that come out to support our lodge, volunteer and help with the meals.

All ideas, concerns, suggestions of activities, meals, or events you would like to have here please contact me on my cell: 804-380-0945.

Fraternally Your Governor, Jimmy Hodges

To All Lodges,

On behalf of the VMA Merchandise Chairman Jerry Lloyd, we are sending out this ad and asking that you include it in your lodge publication/newsletters for the next month or two. We intend to generate new ads on a regular basis for inclusion in your media outlets, based on product availability and seasonal preferences.

We appreciate your cooperation and assistance in this matter!

Fraternally,  
VMA Office

It is with great disappointment to announce our Lodge cannot get the needed participation to open a WOTM Chapter here. Much appreciation goes out to all the ladies that were trying to get this established. We would like to also extend our appreciation to Fran and Becky for their time and effort in working with us.

Ladies you are not a member until you receive a Moose Card. The only way you can become a member now is to either join through Allheart, Illinois or another Chapter. We encourage you to choose one of these options. By doing so you will be able to participate in Lodge activities and support Mooseheart & Moosehaven.

You may contact the Administrator, Mike Monfette, Governor, Jimmy Hodges, any of the board members or the Social Quarters Manager with any questions you may have concerning your membership.
