

Our Moose Member,

I would like to let all members know I appreciate your support. We need to get all our ladies together to discuss what step(s) we need to take to get our WOTM Chapter up and running. Please speak with me or Rita Hodges on your interest in a chapter here. Any questions, concerns or idea, feel free to come talk with me.

Fraternally,

Mike Monfette

Words from the Governor:

Moose Brothers & Sisters, I thank you for coming out supporting our meals & music. I appreciate all of your help and volunteers for our meals and desserts.

December 8th, we will be having "Breakfast with Santa", so bring you little one out to join us. We will be having Chris Poindexter back here on the 7th & 22nd, playing his music. Chris is a singer and songwriter of down home country music, try to come out because he is very talented. The 22nd will be our Christmas Party, please bring finger foods.

We are seeing growth in our lodge and many positive changes. This is all due to all of you being a part of a great organization and supporting the children of Mooseheart & the seniors at Moosehaven. Remember your donations to the cradle goes toward the endowment fund for both, as well as part of your membership renewal. Thank you for your donations, I am proud to say we are seeing an increase in these funds.

We will be raffling another turkey and country ham this month. See the Social Quarters Manager or Bartender for tickets. We also have District 10 Raffle tickets- \$10 for a chance to win \$500 and State Convention tickets \$10 for a chance to win \$1000.

Merry Christmas, Fraternaly, Jimmy Hodges

#### Mission of the Moose:

An International organization of men and women, dedicated to caring for young and old, bringing communities closer together and celebrating life.

What does that really mean?

1. We care for children in need from throughout the world at Mooseheart Child City and School, just west of Chicago.
  2. We provide for our senior members at Moosehaven, a 72 acre retirement community in Orange Park, Florida along the St. Johns River.
  3. We generate \$70 - \$100 million worth of community service activities annually.
  4. We have fun doing so and develop life-long bonds with brothers and co-workers through the Fraternity.
- Stayed Blessed,

God Bless Mooseheart and Mooseheaven.
