Baked Chicken Breast Qtrs

Message form the Board of Officers

The entire Board of Officers want to say a special thanks to our members who have participated in our events, signed new members and volunteered in various areas of the Lodge.

We only have a few months left in this Moose Year which ends on April 30th so we really need renewals and new members so that we qualify for the Premier Lodge Award. We really want to bring it home this year so help us out if you can.

Upcoming Events:

Blood Drive January 8th in honor of all of members and their families who have the need for blood.

Dave Ray Dart Tournament - open to all members and all proceeds benefit the American Cancer Society

Mid- Year State Conference - Downtown Norfolk January 18th and 19th Registration available on VMA Website- Virginiamoose.org.

Lee Wells (The King) Pool Tournament January 26th See John Ewell for signup information

This should keep our members busy during the month.

ONE last reminder- Please do not be offended when our Bartenders or Door Attendant ask for your Moose card. Yes, you may have one to get in, but we are still obligated to check cards prior to any service. If you don't have it with you, we will gladly check the membership list.

Private Policy per General Laws

The LOYAL ORDER OF MOOSE (L.O.O.M.) and it's co-companion the WOMEN OF THE MOOSE (W.O.T.M) is a private membership organization. The general public is not invited to participate in the organizational activities listed on any of our pages.

The Moose Private Policy is in place to protect you and the Moose fraternity. The Private Policy is simple: Either you are a member of a Lodge or Chapter, or you are a Guest! All guests must be signed in, cannot make purchases, and must leave when the member leaves.

It is mandatory that all guests wear a form of identification such as a sticker, tag or ribbon, clearly distinguishing that individual as a guest. Only adults are required to wear a guest identification to prevent an inadvertent sale to a non-member.

A guest is defined as anyone not a member of the Order; not a member of the Lodge or the Chapter. A member that has fallen in arrears on their dues is a member not in good standing and is not entitled to attend lodge meetings or to enjoy social quarter's privileges. Only after the member has been dropped from the rolls are they allowed in the lodge as a guest (12 months past due). They may reinstate as a member by remitting the required dues to Moose Heart and receiving a membership card.

If you have paid your dues just show us a receipt or we will gladly take your payment at the door.

Be proud to show your Moose Membership Card to the Greeters, the Bar Tenders, a lodge Officer or the lodge Administrator upon request. They are protecting you and our fraternity.

Happy New Year-be Safe and see you around the lodge
