Moose Charities.

Thank you to all the members of Aragona Moose for their donations to the Rocking Chair Fund this past month I would also like to thank the members who are dropping off Box Tops for Education in the container in the foyer and also the coke caps. Please be advised that there is a code inside on all coke cartons (bottle and cans). I would ask that you please not place caps that you have already entered at Coke. The ones I receive from members are donated to Mooseheart Schools.

Again thank you for the support of Moose Charities,

Rose Marie LaRock
