### Mission

## Membership Dinner

June 16<sup>th</sup> a membership dinner was held to thank those members who sponsored at least one member in the 2017-2018 Moose year. The program was led by LOOM Membership Chairman Chris Lloyd.

Dan Labombarde was recognized as the LOOM member by the men as sponsoring the most members.

Debbie Smith, Tina Lloyd, Barbara Kochis and Diane Patterson were all recognized as the top 3, with 3<sup>rd</sup> place being a tie WOTM members who sponsored the most members for the last Chapter year.

Below are pictures from the dinner -

Everything went well for the dinner and we all appreciate Chris and Tina being able to be there even though it was their Anniversary 😊.

Chris announced that there will be a new membership campaign that the Lodge will be having for our LOOM, and there will be more information to come on that.

Once again, a big thank you to everyone that retained their membership with our Lodge and Chapter and a big thank you to everyone that signed up a member this past year.

**Hello Brothers and Co-Workers,**

It is now the month of July. As I hope you all have noticed or heard, the pool is open. If you haven't been out to the pool, you need to go out and look at the plants that have been planted around the pool, pavilion, and playground. It looks real nice. There's a sneak peek below...

Due to the weather, we didn't have our Special Olympics here in May. We are trying to reschedule another date for them to be here though.

We have the International Conference July 11<sup>th</sup> thru the 14<sup>th</sup>. I will let you know the details of that in next months' newsletter. We also held our membership appreciation dinner for all who signed up a member the past year.

As I have said many times before, I am proud to be a member of this Lodge. To keep it strong, we all need to work together and not against each other. I want to thank everyone who has helped our doing what they can do, it is greatly appreciated.

As I have said before, we have the Moose anywhere with the best members around. That's why we are "THE PRIDE OF THE VALLEY". If you see me in the Lodge and have a question or concern, please feel free to stop and talk to me.

Fraternally yours,  
 Jeff Rohrbaugh

**Chicken Barbeque**

I would like to thank everyone who has come out to help support the soap box derby. We will be having another chicken barbeque on August 4th, and we plan to start selling around 9:30 a.m. Chicken halves will be \$4.00 each and dinners for \$7.50 which include chicken, coleslaw, baked beans and a roll.

The chicken will be prepared by our Gov. Jeff Rohrbaugh and Jeremy Shiflett. Proceeds from this fundraiser go toward purchasing cars, parts and hopefully soon, a new building to store that cars and give our kids an area to be able to work on their cars.

Again, thank you to all who have come out and supported us this far. Hope to see you on August 4th. Pre-orders are available – just see Jeremy Shiflett or call (540)241-9294. Money is due when the order is made, and all pre-orders are to be picked up no later than 12:30 p.m.

Thanks so much!  
 Jeremy Shiflett

## Clarity on “We All Need to Work Together”

By Deborah Akers

It’s been said before, and many times before at that, that “we all need to work together.” Have you ever wondered – what are they talking about, what do they mean? I have come to the conclusion that making that statement needs clarity or you will continue to see things continue as to how they were.

I was told this recently, being directed to me, and so I asked - Why are you saying that to me? What am I not doing that you think I should be doing? What is the “we” doing that I am affecting. Well, it wasn’t that I wasn’t doing anything. The comment was just being made that it’s something “we” need to do. Okay – well, what do “WE” need to do.

But can you say that, if there is not something that “we” are doing and there is something that “we” are not doing? Does saying “we need to work together” help?

So, saying we all need to work together is a vague statement. It could mean just that, we all need to work together to get something done, or a team is not getting along or helping each other, and we need to work cohesively together better.

Those that are doing their best each day could get offended because they are doing what they can and still hearing and then they may feel their efforts are not appreciated or they are doing something wrong, just wonder why am I a being told that?

So yeah, you can say we need to work together on our membership in helping to retain members and increase our membership, and here are ways you can do that...Or, we are having a back to school party for the kids and we need the men and women to work together, and we would like for the men to do X and the women to do Y. That is letting members know what needs to be done and how they are working together.

But again, “WE” need to know what “WE” are supposed to be doing. There are 1,400 plus members between the chapter and lodge, and there is no way that one statement is going to make a positive impact for that amount of people.

For the other scenario of needing to work together...say if a fundraising project didn’t go so well, then we need to say – first of all we needed to make sure that we had dispensation to hold the fundraiser, and approval was needed by the board and members and so on and so on. Well, did the member know all of that? Possibly not, but member B that was helping may have known, and needed to let member A know that. If they worked together instead of letting them just do whatever, then the project may have gone better.

This scenario of “we need to work together” would need to go to the particular member(s) and board so that they know what may have been missed during the chairman learning procedures.

So, in short, in getting people to working together, or probably to get people to help, the best laid out plan would be to let members know what is going on, how they can help, and the outcome of what was done, and over praise the results to make people wished they had helped. That way, when the opportunity arises again, they will remember what they missed out on, and not want to miss the out again. Increase knowledge and excitement.

**WOTM Chapter 1235**

Hello Everyone,

It has been a busy month. We have decorated the board in the main lobby as you walk into the Moose Lodge, and I tried to get other things in my head of what I want to accomplish this year, so I have made myself a personal goal to try to be the best I can be, every month.

Ladies I know that is not easy, we all sometimes just want to sit around in our nightwear and do nothing, however I encourage you to get up, get dressed, and come up to the Moose Lodge. We have Karaoke on Tuesday nights, Bar Bingo, on Wednesday nights, and the best food in town. Thursday nights learn how to line dance, Friday night social hall, is really swinging, with music and dancing.

Our pool is open Monday-Saturday 11-8 and Sundays 1-8  
Come out enjoy the fun, I would love to meet you.

Once again, I would love to thank all of my ladies at the Waynesboro Moose Lodge for all you do to encourage me and help me with all of our endeavors.

Feel free to Check out our Chapter Board as you walk in the Main Lobby. And if you have any ideas, please contact me.

Fraternally yours,

Priscilla Pattarino

**5<sup>th</sup> Tuesday Family Night Dinner is back!!!!**

We are bringing back the 5<sup>th</sup> Tuesday dinner this Chapter year, and our first one will be on Tuesday, July 31<sup>st</sup>. The plan at this time is to have hamburger and hot dogs cooked out for this one.

Please bring a side or dessert to share with others.

So, remember, every time there is a 5<sup>th</sup> Tuesday in any given month, there will/should be a family night dinner.

This is for Men and Women, and we really hope to see better participation so please share the word. We hope to see you there!

**Membership List**

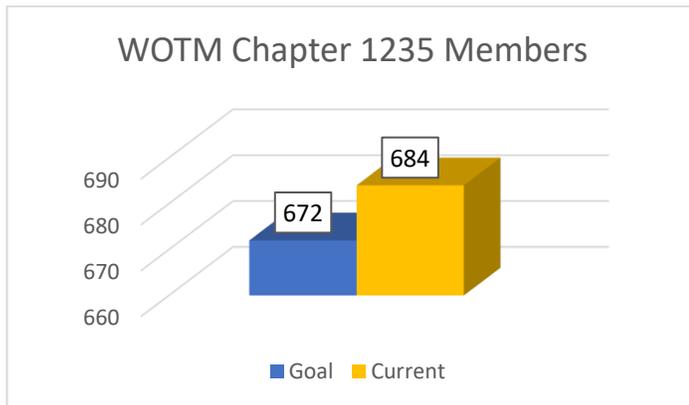

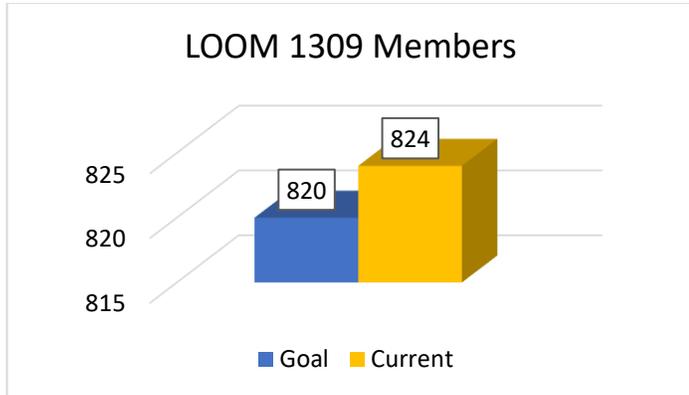

As you will notice below, the membership list is longer than usual. This is because there was no WOTM enrollments list in last month's newsletter, so this is 2 months of new members into our Chapter. Thank you to all who joined and thank you to all who signed up a member!

**Membership** as of 06/18/2018

Well we are one month (and ½) into the new year and both the WOTM and LOOM are on track. Both are showing a gain from the previous year that ended on April 30<sup>th</sup>.

Let's both stay on this track for the year and encourage members to retain their membership as well as new ones to join.

**Bingo Note**

Well, it's going to be the same 'ole same 'ole again. We need helpers and team leaders. If you could take time out of your busy schedule to come and help one Sunday a month, that would be great. Remember, if you work Bingo, you get a free meal, and get to meet new people.

Our bingo helps Mooseheart School, Moosehaven our schools, sports teams, Salvation Army, and many many more things. So please, come out help us.

Thank you,  
 Jeff Rohrbaugh

**Swimming Pool**

Please remember that we have pool attendants on duty when the pool is open, not actual lifeguards.

The pool hours, weather permitting:  
 Monday – Saturday 11 a.m. – 8 p.m.  
 Sunday 1 p.m. – 8 p.m.

Also, please make sure that your kids/grandkids are aware of the rules and that they follow them. One rule to note – there is no jumping from the side of the pool.

Let's have a fun and safe summer at the pool! 😊

**Back to School**

**Back to School Party**

It seems like winter, cool weather and the rain just ended, and just when you thought summer could get started, we have to talk back to school. Schools will be in starting up the first part of August so we have made plans for the annual back to school party to be August 4<sup>th</sup>.

There will be a sign-up sheet in the Lodge, so please make sure that you sign your child/grandchild up so we can help a little bit with the costs.

Again, please sign up and put August 4<sup>th</sup> on your calendar now for the Back to school party!

**Personals**

We would like to wish Tina and Chris Lloyd a Happy "belated" Anniversary. Their anniversary was June 16<sup>th</sup>.

Also, we would like to wish Cindy and Jeff Rohrbaugh a Happy Anniversary on June 28<sup>th</sup> – which will also be belated with this being the July newsletter
