**VMA Youth Awareness Student Congress
Saturday, November 7th (at 12:00pm)
at Arlington #1315 Moose Lodge**

Since the High School students have been “virtual” learning from home beginning in September for this school year due to the COVID-19 pandemic, the Lodge had not been able to coordinate with the schools or the PTA about Youth Awareness Program. However, in the last two weeks of October we have been spreading “by word of mouth” the program and the announcement that Arlington #1315 Moose Lodge is sponsoring a VMA Youth Awareness Student Congress to our members. In addition, as the Administrator is the VMA District 4 Chairman for the Youth Awareness Program, he made it known to the Lodges/Chapters in VMA District 4 Quarterly Meeting on October 17th of the VMA Youth Awareness Student Congress at our Lodge and emailed a poster to be displayed in their Lodges. This year, only one presentation program session is scheduled as a large participation is not expected ... BUT VERY MUCH WANTED!

NOVEMBER
EVENT

This year if any student completes the program and submits their 3 “KidsTalk” reports and their PowerPoint presentation, they will automatically earn \$100 from VMA. Let not forget that any student that is selected to represent the Commonwealth of Virginia at the Moose International Student Congress in April 2021 will earn a \$1,000 scholarship from VMA; separate from the possible scholarship they could win at the Moose International Student Congress.

The VMA Youth Awareness Student Congress will be conducted in the Ritual Hall of the Lodge where the students will sit by themselves at tables that are spaced at least the required distancing of 6-feet. Lunch will be served for anyone who attends the event. Everyone must wear masks while in the Lodge; except when eating and drinking while at the tables.

**WOTM Italian Dinner
Saturday, November 7th (5:00pm – 6:30pm)**

The cliché “if it is successful, don’t change a thing” applies to this event, as the WOTM have always packed the Lodge with an Italian Dinner event. Please note that the previous “norm” of a buffet will not be provided. All food offerings will need to be ordered from the kitchen via volunteer servers. As of this publication the known entrees will be lasagna & chicken fettuccine alfredo, with a salad and minestrone soup as starters and a desert selection. But the WOTM is still trying to have more selections for the event (any volunteers?) No

matter what the selections are for the event, everything will be delicious as all items are “home-made” dishes prepared/cooked by the members of the Arlington Chapter #1253.

This event is a fundraiser for the Chapter in support of their required donations to Moose Charities and the coronavirus pandemic has limited their available fundraisers the past six months. Did we also note that the event dinner was being offered at reasonable fee of \$12.00 for each person? **Please plan to attend or order a take-out for home (curb side pick-up will be available).**

**Chili Bowl Splash in Memory of Bill Lewis
Saturday, October 3rd**

The atmosphere and excitement was not the same as our annual chili cook-off, but it was still a successful social event. The delicious offerings were a red beef chili prepared by Tom Oderwald and a white chicken chili prepared by John Matis. The side items to top the chili bowls were prepared by Liz Coombs. For the record, 38 chili offerings were sold with appropriately an even split between the red and the white chili.

A thank you is expressed to Tom Oderwald, Liz Coombs, and John Matis for preparing and cooking the food, taking the orders, serving the chili & sides to our members and guests, and the dreaded scrubbing/cleaning in the kitchen after the event. The Administer apologizes for forgetting to toast Bill Lewis during the event as promised, but we will always remember him for his suggestion of this event!

Arlington Fraternity Participation in the Mooseheart 5th Annual Holiday Lights 5k Run/Walk

Go Team "Arlington Arlie's Antlers"

Getting into the December holiday spirit and trying something "outside the box" for the Arlington Fraternity "norm" to support Mooseheart, it was decided by the general membership of the Lodge to provide a holiday donation to Mooseheart by participating in the virtual Mooseheart 5th Annual Holiday Lights 5k Run/Walk. Therefore, the Lodge registered a team for this virtual Mooseheart fundraiser called "Arlington Arlie's Antlers" in honor of our named Moose head in the Social Quarters (who watches everything we do in the Lodge by our members but never criticizes ... *like a fly on the wall*). As of this publication, there are two known team registered members of the Arlington Fraternity: Dominick Russo & John Matis. **BUT**, our local Fraternity needs support from willing members to walk as a group to earn further donations by the Lodge for this event. The Lodge has approved to donate to Mooseheart \$0.50/mile for each member, family members (including children) and guests that participates in two scheduled group walks; not to exceed \$100.00.

Joe Russo has measured a 1.04 mile walk course through the local community for the group to walk, which will start and end at the parking lot of the Arlington #1315 Moose Lodge. Everyone must wear a face mask during the walks and maintain a safe distance of 6-feet of non-family members (in any direction). Water will be provided by the Lodge for the walks. Participants can walk as many times as desired to increase the donation, but must stay on the specified course to/from the Lodge.

Mooseheart Holiday 5k Walks in Community:

- **Sunday, November 22nd beginning at 11:00am**
- **Sunday, November 29th beginning at 11:00am**

Please note that the Administrator has agreed to personally match the earned donation by the participants in the two walks around the community.

It is the responsibility of our members to make sure that their names are placed on every liquor bottle placed at the Bar within the Social Quarters. Our Fraternity must comply with this ABC rule!

Lodge Repairs/Replacement

Due to the unusual warm weather the first 3 weeks in October, the switching from air conditioning to heat for the Lodge was delayed. Finally though, the conversion to heat occurred on Friday, October 30th as the temperature became colder and complaints were being expressed by our members for heat. However, as previously expressed many times before when discussing any Lodge repairs/replacements, there is always a “hiccup”. When the first attempt to convert to heat was performed on the prior day, it was found that two control devices needed to be replaced. Luckily, the failed devices were available the next day and installed. Thank you Gregg Cady for coordinating with our HVAC vender to make the conversion.

As noted in the October Newsletter, the lawn mower needed to be repaired. It is noted that the lawn mower has been repaired and was transported back to the Lodge. Too bad it cannot be used in the next several months to plow snow.

With respect to determining why the existing kitchen hood is not compliant with Fire Codes for a new fire extinguisher system, the Lodge made no progress in reviewing the Fire Codes due to other priorities. It is noted that the existing fire extinguishing is operational.

A vender came to the Lodge to investigate the water leak in the Men’s Restroom of the Social Quarters, which is also spreading water onto the floor of the Woman’s Restroom. Please note that the turned off wall urinal in the Men’s Restroom did not stop the leak to shatter our theory of the problem. Surprise! The vender investigated the piping in the wall from the ceiling level, only to find that the wall between the two restrooms is filled with concrete. It was suggested that a different vendor be employed that could scan the wall with a special device for possibly determine where the leak is occurring; but at this time the cost seemed unreasonable with no guarantee that a leak “pinpoint” could be identified. The Lodge is still considering other options to determine the problem.

Wanted: Members who can volunteer to help the Lodge Repair/Replace Necessary Facility Problems

“To go” Food can to be brought into the Lodge during November except at an Event!

Since we will NOT be serving any food except at a planned event, we are allowing our members to bring “to go” food into the Lodge, however, all of our serving ware will be locked away. Our members who bring “to go” food or get the food delivered MUST provide their own serving “extras” (e.g.: paper plates, utensils, condiments, napkins, etc.) and cleanup after eating at their table!

The Arlington Moose Legion Committee Corner

The Arlington Moose Legion Committee wants to thank all the members and guests who had come to the Lodge to enjoy the Legion Breakfast in September and October. Participation had been much less than the beginning of this year; but we understand the circumstances of the world situation that we currently live in today. It should be noted that most of those that came to the two Legion Breakfasts sat in the Ritual Hall where everyone could space themselves to maintain the required distancing between the tables. And even though the breakfasts were “made-to-order” (in lieu of a buffet style), no one was bashful to keep re-ordering to get their “all-you-can-eat” monies worth. The Arlington Moose Legion Committee plans to continue the monthly 1st Sunday Legion Breakfasts ... as the members will eventually come back for the delicious (and reasonably priced) food. **It should be noted that the Membership Appreciation Breakfast will be offered in place of the Legion Breakfast during November, BUT the same Legion Breakfast volunteers will be the chefs for that event.**

Founder’s Day Celebration - October 31st

The food menu of a side salad, a roast beef French dip sandwich with au jus, and a serving of loaded mashed potatoes (i.e.: with bacon & green onions) was delicious and fulfilling; as quoted by those that attended. Something different to attract more members back to the Lodge. The Lodge wants to thank Tom Oderwald & Elizabeth Coombs for being the chefs and John Matis taking the orders and collecting the money. In addition, as it was also Halloween, candy bags were distributed to any children that came to the Lodge during and after the event.

Bringing a Guest to the Lodge?

The Arlington Fraternity welcomes all individuals who are considering to be new members of our Moose organization. However, please make sure your guest is aware of all COVID-19 virus requirements, as well as, Moose requirements while in the Lodge (i.e.: not being sick before he/she enters into the Lodge, wearing of masks while moving throughout the Lodge, having their temperature taken when first entering, 6-foot distancing is mandatory, cannot purchase any beverages or play the electronic gaming because they are not members, etc.), Show them the layout of the Lodge and describe our Moose Mission in supporting Mooseheart and Moosehaven, as well as supporting our local community. **Please discuss that the Lodge has an Orientation Program when they become a member for them to obtain more information on how the Arlington Fraternity is involved in our local community and the Mission of Moose!** Remember that the guest is not known by our members and consideration should be given to protect the guest and our members.

WOTM Unique Thrift Store Fundraiser for the Month of October

Holy Cowabunga! [*classic catchphrase of Teenage Mutant Ninja Turtles*] The response has been AMAZING from our members and their friends in providing donations for this fundraiser. All of

the clothing donations are currently being stored in the room adjacent to the Administrator's Office (see picture herein) until the delivery of the clothing to the Thrift Store on Friday, November 6th. WOTM will continue to accept donations until Sunday, November 1st, with the donations being loaded into vehicles on November 5th for transporting to the Thrift Store.

A funny (possibly dumb) story: The Administrator had agreed to store the donated clothing in the adjacent room of his office, but did not completely think this through. His concern was to store the donations away from the first desk in this same room for access documents needed in the daily operations of the Lodge. However, darkness gets earlier at this time of year and lights need to be turned on. D'oh! The Administrator recently realized that the light switch for the lights in the room was on the wall behind the piles of donated items. He had to walk over the piles of donated items to turn on and off the ceiling light. He now knows he can use his Smartphone as a flashlight (thank goodness for technology).

**Community Service
Wednesday, October 28, 2020**

A request was made by the Fairfax County Health Department to use the parking lot of the Lodge to perform coronavirus testing for the local community, and we gladly said “yes”. Several members of the Health Department made an on-site visit of the property during the week of October 18th to discuss logistics and determine the locations for their testing lab (RV vehicle), processing area, and waiting areas. It was agreed that the testing would be performed on Wednesday, October 28, 2020 between 9:00am to 2:00pm in the parking lot area on the kitchen side of the Lodge. Wednesday was picked because the Lodge does not open until 3:00pm and therefore, our members would not interfere with the event nor vie for parking spaces in front of the Lodge. Besides the use of the parking lot, the only things the Lodge had to do for this community services was to open the Lodge so that the Health Department employees could use the restrooms in the Social Quarters and to ensure that there would not be any beer deliveries or have a trash pickup during the event [Note: our beer distributors park in the parking lot by the kitchen door for easy access to the walk-in refrigerators and the outside trash containers are also near the kitchen door].

The Lodge wants to thank Jane Kennedy for opening the Lodge early so that the restrooms were available during the event and providing a pot of coffee for the Health Department personnel, and to Joe Russo for assisting the Administrator at the on-site visit before the event.

Bar Bingo is Back and Being Enjoyed!

There were three weeks that the "bingo experience" was conducted in October; of which the average attendance was 13 members per week. As advertised, bingo was played in the large Ritual Hall where the tables were spaced more than six feet apart. Everyone wore a face mask while moving through the Ritual Hall (& the Lodge), including the volunteers who performed their necessary actions to operate the bingo games. It is reminded that all players will now be required to bring their own daubers to play or purchase a new dauber at the Lodge for a reasonable price & then take home. No "community" use of Lodge furnished daubers.

WARNING

The Safe Surfin' Foundation is advising parents to stay diligent in tracking your child's Internet use during the COVID-19 outbreak. As Schools begin replacing the classroom for a laptop, predators will use this as an opportunity to prey on children. Never forget that 100% of children will be contacted by an Online predator. Stay safe in the coming weeks, and as always please keep your children safe Online.
