## MEMBERSHIP

Let's start off with a thank you to this past year's Membership Chairman Jerry Motley. During his time in this position, he has been able to complete the goals set by both the lodge and Moose International. It looks like we will end the year with a plus in membership and have already met our quota set by Moose International. Jerry has been active in membership participation and continues to serve the lodge well. If you see Brother Motley around, give him a thank you....

New membership campaigns will be coming out this month. Look for these to be posted on your social quarters bulletin board. Moose International has done away with the Honor Hero program for this year. We look forward to seeing what the campaigns will be.

Help support Membership in your lodge by remembering to pay your dues before they expire. Each of us as a member took an oath to strengthen and maintain the defending circle. Lets do so by continuing to sponsor new members into the fraternity so we can watch it grow. As always, thank you for your continued support. We will be discussing future in-house Membership campaigns at next upcoming business meeting.

## LEGION

The Moose Legion is known as being the “Degree of Service” because of the many programs it supports. It is also possibly even better known as the “Fun Degree.” Our members do like to enjoy themselves!

Our mission is: “To have fun while providing greater service to the Moose Fraternity.”

Our motto is: “To do some good thing for someone each day.”

If you haven't taken the time to learn more about the Legion, now is the time. This is the next step in fraternalism. Before reaching any higher levels of fraternalism, and any Degree, you must start here. Ask a Legionnaire for more information on becoming part of the Legion.

The Legion meets every month. Meetings are held on the second Wednesday of the month. During this event each month, the Legion provides a meal and refreshments for a social afterwards. Meetings are held at 7:00 P.M. Come out and enjoy fraternalism before the meeting with your fellow brothers, as well as after the meeting. Take the next step today

### Trivia

May 8th 2018

If you haven't had the chance to come for trivia yet, make the time. Kim and Rob Keese have been doing a great job with this event. Unsure how they come up with such good stuff to have questions on. They usually throw in something each time for bonus points as well. Fun event that everyone should come try.

This event is open to all Moose Members and Qualified guests. So bring a friend that hasn't had a chance to see what Moose is about. Maybe we can even get them signed as members.
