Message From Governor and Senior Regent

It is truly an honor to be able to volunteer with you all this year. It is a lot of hard work, dedication and responsibilities that come along with it. But we have proved that we are in this together! We have each accepted the challenges that this year has brought us with a positive attitude. We need to continue to focus our energy on the wellbeing of the lodge, MooseHeart and Moosehaven.

Our first goal was to come up with a plan for a series of fund-raising events where prayerfully the programs would bring in new contributions. And we believe that we excelled our own expectations. Thank you for being supportive of one another this year. Especially during the trying times of COVID 19. I have seen you lift each other up, motivate and encourage one another. As well as always being willing to lend a helping hand. That is what the moose is about.

Thank you to the LOOM, Legion, Staff and all of the women officers and coworkers that have worked really hard to make the growth and changes that we see within our lodge and community possible.

“Alone we can do so little; **TOGETHER** we can do so much.”
