History of the Moose Legion

The fraternity's Nine O'clock Ceremony was first depicted in oil for distribution to Lodges in the early 1930s, with a Mooseheart child saying a bedtime prayer with the Campanile tower shown outside the window; the painting was updated in the early 1960s, now the House of God is depicted at dusk outside the window.

"It is now 9 o'clock, at his time the little children of Mooseheart, kneel at their beds to say their evening prayers, let us join them in silent prayer... Let the little children come to me, do not keep them away, for they are like the kingdom of heaven, God bless Mooseheart". Amen

From the Governor

Well the end of my term as Governor of the Lodge is fast approaching. It's hard to believe a year has passed so quickly. Although we started several projects throughout the year, we still have some to complete and that will be my focus in the next few months. I want to take this opportunity to thank all the members of the board that worked with me throughout the year and supported my efforts to make the Lodge a better place for all our members.

I also want to thank YOU, the members who made our Lodge successful and profitable through the entire year. I will continue to believe that we have one of the best Lodges within the state and possibly the fraternity. Please continue to support

OUR Lodge and I again ask that you donate some of your time and energy to the many functions and programs put on for the members and their families. We cannot expect all the events to be conducted by the same limited number of volunteers, people get burned out quickly without the help of others.

Last I will say everyone has a voice within the Lodge, you need to attend the meetings and understand how we function and where the money is spent. I have listened to several members concerns throughout the year and tried to correct issues identified, again there is strength in numbers. Several members want a non-smoking Lodge, if you really want this, then it is up to YOU to make your wishes known and get it done. Again this is YOUR Lodge and you deserve the best we can offer because without you we have nothing.

My next comments go to the staff and the volunteers. To the staff, I want to thank you for your service throughout the year, you do very good work under sometimes difficult conditions. To the volunteers, without you we fail, I cannot thank you enough for stepping up and providing your time and support over and over again to ensure the members and families can enjoy the many functions throughout the year.

Last, I challenge the membership to step up and get involved in YOUR Lodge, attend YOUR meetings, volunteer to help with YOUR events, and build on what others have already achieved. Many before us have worked hard to build this Lodge, the baton must be passed to the new board and the younger members of this fraternity, and the time is now for you to step up. To the incoming board, I challenge you to use the Lodge assets wisely, continue to use the outside areas for events, and always take the time to thank the people that make it possible...the members....thanks for all your support throughout the year....see you around the Lodge.

WOTM

April is upon us and we all know what that means spring is in the air and warmer weather on the way. Than you all for your support this past year it means a great deal to The Women of the Moose. I am proud to announce Jackie Lynch will be your 2018-2019 Jr. Regent and Paulette Jones will be Recorder. We still have Sr. Regent and Secretary Treasure positions still vacant. Is still not too late to step forward and enjoy a wonderful time the Women of the Moose has raising money for good causes.

We had our Annual Easter Party on March 25th. And I must say the children had a blast with Jonathan Austin the Magician. I am still trying to figure out how he balances a chair on his nose. I would really like to thank all the volunteers that make these party's a hit.

WOTM will be having installation in the month of April date is still TBD but I will make sure I post it on the WOTM board this is open to all women co-workers.

Women of the Moose dinners this month 4-13-17 Cabbage Rolls, salad and dessert \$9.00 a plate and 4-20-17 meatloaf, mashed potatoes and dessert \$9.00 a plate.

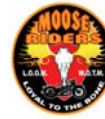

Cher Seely
Senior Regent

FROM THE DESK OF THE RECORDER

Just a reminder to co-workers of Chapter 1592. If you have had a change of address or your phone number has changed please contact me by email at (chapter1592@mooseunits.org) or by telephone (540-273-6911). Several times we have tried to contact members by phone but are unable to due to wrong phone numbers or disconnected phone numbers. It is very important to keep your records updated.

Thank you to all of the co-workers who have signed up new members this year. To date we have processed 113 new applications. Please double check your applications before turning them in to make sure that your new member has signed the obligation of membership on the back. If the back of the application has not been signed it delays the process of approving the new application.

Any questions please email me at chapter1592@mooseunits.org or by telephone 540-273-6911. Paulette Jones, Recorder Chapter 1592

Moose Riders

Even though winter just doesn't seem to want to leave, spring is here. I want to thank everyone that came out for steak night last month, because of you, the VMA Special Olympics Softball Tournament will be getting a very nice donation again this year.

On to the April steak night. The dinner on April 6th will benefit the Frazier Mason Some Gave All Foundation. Along with the dinner and 50/50 that night, we will also have the donation jars still out for Champ Clark. As I have said in my Facebook posts, we are supporting this 10 year old young man in his efforts to raise funds for Fraizer-Mason also. Champ, and his Mom and Dad, will be our guests for steak night, come on out and meet him, and drop some coin in his bucket. Show him some 1655 generosity. As always, thank you for supporting us!!!

Ride Safe,
Pappy

Moose Legion

Well spring is here and it's time to close out the Moose year. Moose Legion had a very good year and I want to thank all the members for your help, with the events, the breakfasts, and the dinners and the MLC board members for your help in getting things done! MLC is still looking for a few good men to step up and take charge in the Moose Legion Committee. Brother Mark Collins has stepped up and was voted in as the next Vice Chairman, congratulations Mark, I'm sure you'll do a great job next year. Like I said in last month's newsletter, Moose Legion needs Board Members and especially a Chairman. There are almost 100 MLC members in our Lodge. I would like to see someone step up and take charge.

Prime Rib dinner night this month is on Friday the 27th, even with the increase in prices it's still a popular dinner with the members, so mark your calendar and come out and taste the best Prime Rib in town.

There will be no MLC meeting this month due to the Super Celebration being held at the Culpepper Lodge on Saturday the 21st. Lodge 1655 has 2 new members being conferred. Congratulations to Sean Donohue, and Scott Travernicht for stepping up and joining the Moose Legion. I'm looking forward to working with you in the coming year. In closing, I want to say thanks to everyone and let's have another good year!

Cory Clark - Moose Legion Committee 1655 Chairman

SPORTS COMMITTEE

I am now about to begin my last month as your sports committee chairman. The only thing I have on the agenda for April is our Moose Pool Tournament. The dates for that are April 27, 28, and 29. This is one of the best events being held annually at our lodge. Hopefully, as always, we will have lots of players entering this event. And again, as always, we will need lots of volunteers to help with the tournament. We need people to help set up, tear down and kitchen help. We will have lots of out of town guests and we want them to enjoy the benefits of coming to the Fredericksburg Lodge. Please see John McGee if you are able to help us out with this event.
