The future of our Mooseheart children's education and well-being depends on what we do today. The responsibility to continue to provide what we promised to our senior members rests with us now. It's up to US to make sure that there IS a future! To do so, we need to Create Our Future now. The best way to do so is to introduce our friends and family to the Moose. Sponsor a member today so that we can grow the Fraternity for the future. We may never enjoy the shade of the trees that we plant, but our legacy will live on in the hearts of those that we support.

FEATURED ARTICLE

As we begin the new Moose Year, one of the first actions is the installation of the new Board of Officers. A joint Installation was held on April 20th, with both LOOM and WOTM incoming officers being installed. The new Board of Officers became effective on May 1st. (See page 4 for more information)

Membership Meetings

LOOM – Apr. 9th & 23rd

WOTM – Apr. 14th & 28th

From the Governor

As everyone knows the month of May starts the beginning of the new Moose Year. With that being said it's also the start of the new Board Members, Committee Chair people and just about everything with the Lodge moving forward for the 2019-2020. The members have spoken with this past election and I want to thank everyone for your support in becoming your Governor for another year. As your Governor for this coming year I will apply myself with the New Board of Officers, House Committee,

the Administrator, the new Social Quarters Manager, Committee chairmen and the WOTM to make sure the Lodge prospers and moves forward in the right direction. You have to understand it's not about what the Governor wants or needs to do within the Lodge. It is all about what is good for the Members and in what way can we enhance the growth and progress of the Lodge. I want to thank Barry Thomas, our new 1st Year Trustee; Marvin Hamrick our new Three-year Trustee and Jim Hudgins our new Junior Past Governor for stepping up in giving your time and effort for the better of the Lodge. Congrats and welcome to the Board of Officers and House Committee. You are a welcome Asset to the Lodge.

On May the 19th were having our annual Memorial Service from 1 to 3 PM in the Hall to celebrate the lives of our members that have passed away. Last year's service had a huge turnout and was very respectfully done, I hope to see a good service this year.

I want to thank the WOTM for the Easter Party that they had for the kids. Cher, you were an awesome Easter Bunny. The most important aspect of the event was the kids had a great time and enjoyed themselves. Thanks. Ladies job well done.

Just a reminder to the members to support your Lodge by participating in the Friday Night dinners Moose Riders and Moose Legion provide to you, as well as the WOTM dinners in between. They work hard and give their free time to provide these dinners every month. They are always looking for volunteers to help out in these dinners.

The sports Committee with the help of Liberty Gaming are hosting the annual Pool Tournament on May 3rd, 4th and 5th. The WOTM are providing the breakfast on that Saturday and Sunday while the Moose Riders are having their monthly Steak Night on the 3rd. The Lodge is looking forward to another great weekend for the Pool players.

In closing I want you to know I am looking forward to serving you as your Governor. With the Board of Officers and the House Committee we will try to do our best job in providing a Family Center for you and your guest to enjoy. Remember this is your Lodge and the success of the Lodge depends on you, the members. So let's attend the meetings and get involved in the events and activities that go on in your Lodge to continue to make the Moose a place we can be proud of.

Fraternally,
Cory Clark – Governor

FROM THE DESK OF THE RECORDER

Hello co-workers! I would like to start by saying a big THANK YOU to Paulette Jones for her time and effort dedicated to our chapter for the past 5 years in this position. I know I have some big shoes to fill following in her footsteps, as it has been several years since I held this position with the chapter. The new Board of Officers for 2019-2020 are looking forward to having a great year and hope that you will find the time to attend meetings and contribute ideas as we feel no idea is a bad idea. If you have never attended an orientation meeting, please come to one. We look forward to meeting you and hope this will give you the opportunity to meet your officers and learn more about Mooseheart and Moosehaven.

There are many aspects to the position of Recorder, one of which is to make sure that your membership records are correct in order for you to receive your membership card and/or dues renewal notice. There are many times that a coworker does not receive their card, renewal notices or cards/letters that the chapter has sent because information may have been changed or we made an error when entering the application. We would like to make sure your records are correct so if your address, telephone number and email address changes, please let us know as soon as possible. This can be done by either of the following: send me an email at chapter1592@mooseunits.org, if you are in the lodge, and one of the officers is there, please give the information to them and the last one is you will find a white mailbox, located on the wall in the non-smoking side, just drop a note in the box and we will take care of it.

Terry Denniston – Recorder

Moose Legion

Greetings my fellow legionaries! I am looking forward to a great year ahead. First and foremost, I would like to extend a congratulations to the new officers of the Lodge. I would also like to thank the Moose Legion Committee (MLC) members that helped over the last year.

Moving forward for the next year my personal request is to have as many of my fellow brothers attend the MLC events as they can. I have only been a member for two years and it would be great to meet the people I have heard so many good stories about. I would like to get the fraternity more involved and I need the wisdom and knowledge of members that have been around a while. So please come out and help me make the next year a success.

If anyone is interested in serving on the MLC board or volunteering for events, please let me know. In addition, I am hoping for some ideas of group events we

can plan for the year. If you have a suggestion, please let me know.

The MLC breakfast will be on Sunday May 19th, from 8-11AM. We have a nice crowd and hope to make it bigger. The MLC Prime Rib Dinner is Friday May 24th, from 6-8PM. The cost includes sides, \$12 for the Queen cut and \$14 for the King cut. Last month we sold out quick so don't miss out!!

This month's MLC meeting will be Saturday May 25th, at 6PM. The happy hour will begin at 5PM. Ladies are welcome as well as guests that would like to come see what the MLC is all about. If anyone wants to become a legionnaire the qualifications are simple. Either have six months of being a Lodge member or sign up one member to the Moose Lodge.

Thank you all for reading and I hope to see you all soon!!

Fraternally,

Scott Trauernicht - Moose Legion Committee 1655 Vice Chairman

Moose Riders

Couple of awesome tidbits to pass along first. Between the gun and quilt raffle, and the spaghetti dinner, we were able to send a check to Paws4Vets in the amount of \$3,600.00. Thank you so much to the members of our great Lodge, and the Community at large that supported this. Next, largely due to our last Queen of Hearts 50/50, we will be presenting a check to the Frazier Mason Some Gave All Foundation in the amount of \$1,000.00. Thank you again to all of you who support us every month.

The May 3rd Steak Night will be for the benefit of our Children at Mooseheart and the local Big Brothers/Big Sisters. Please come out for a great meal and support 2 great causes. Janet and I will be in Bedford then, helping with the VMA Special Olympics Softball Tournament. But we will be thinking of all y'all.

The Frazier Mason ride is on June 2nd, everyone is welcome to meet with us at the Lodge that morning and ride with us. Breakfast will be served that morning.

Now, just a safety message, with spring here and the grass growing and needing to be mowed, please remember - don't blow your grass clippings onto the road. It is dangerous for motorcycle riders and it is also ILLEGAL to do so in Virginia.

Until next month,
Ride Safe, Pappy

2019-20 OFFICER INSTALLATION

A joint installation of officers for the LOOM #1655 and the WOTM Chapter #1592 2019-20 Boards of Officers was held on April 20th at the Lodge. Both ceremonies were open to all members of Lodge and the Chapter and their guests.

The WOTM ceremony kicked off the day at 1 PM, with the Installing Officers being: Anne Cramer - Chairman, Susan Malove - Regent, Dawn Boxwell - Chaplin and Marge Morello - Guide. Marge presented the incoming officers as Anne read the duties and responsibilities of each position. Installed Officers were Jackie Lynch - Senior Regent, Lynda Cooper - Junior Regent, Christine Goldsmith - Secretary/Treasurer and Terry Denniston - Recorder. The WOTM Chairs were also installed with Paulette Jones - Higher Degree, Maria Auclair - Sports, Cher Seely - Community Services and Debra Auclair - Guide being present.

After a short break to rearrange the back Hall, the LOOM Installation commenced with Kim Denniston serving as the Installing Chairman and David Cramer as the Installing Sergeant-at-Arms. Following a brief introduction, which included some intriguing information from Moose International, David presented the incoming officers for the new Lodge year. Cory Clark was installed for a second term as Governor. Jim Hudgins - Junior Past Governor, George Harper - Junior Governor, Larry Mastin - Prelate, Mike Meyer - Treasurer, Sam Thomas - Administrator, Marvin Hamrick - Three-Year Trustee, Mark Collins - Two-Year Trustee and Barry Thomas - One-Year Trustee rounded out the new Officers present for installation.

The ceremony ended with the traditional presentation of bouquets of flowers from the Governor to his wife, Margret and to the Senior Regent. Following the ceremonies an extensive buffet was available to all attendees. For pictures of the installation please see page 9 of this newsletter.

EDITOR'S NOTES

Our current membership (LOOM and WOTM) hovers in the 1,800 range - but our email distribution of the newsletter goes out to less than 150 of those members. When we stopped sending the newsletter out via mail, the distribution list for the newsletter was built from individuals who submitted their email address to be added to the distribution. I am sure there are other members who would like to receive the newsletter via email - if you know of anyone, please tell them to send an email to: loom1655@aol.com or newsltr1655@yahoo.com to be added to the distribution.

Also, the newsletter is always available on Facebook, on the open group page which is Moose Family Center #1655 Fredericksburg, Virginia. To avoid the hassle of searching through the myriad of posts on the page - click on the FILES tab and all of the copies of the newsletter (and the entertainment calendar) can be accessed there.

MEMBERSHIP

The new Moose Year has arrived. Yes, the Moose Year begins on May 1st. With the beginning of the new year our new Board of Officers that we elected last month takes control. I was proud to assist with the installation of these hard-working men to the board. Don't forget that they have given their time to support the continued operations of our Moose Home. A heartfelt Thank You to them is in order.

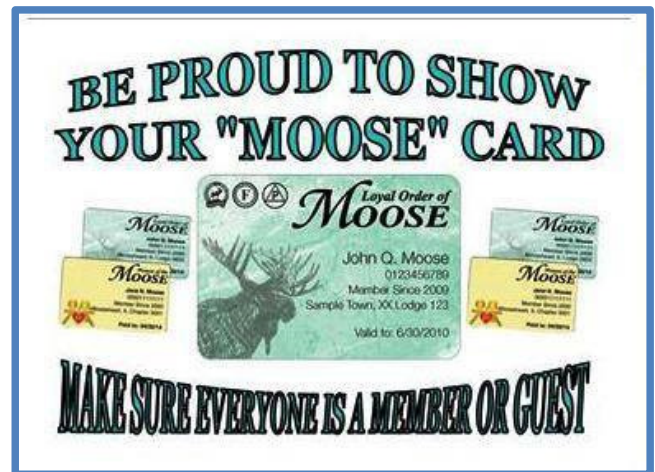

We were able to achieve our membership goal for the past year. This is one of the items on the list that qualifies us for the Premier Lodge award. To reach that goal we must show that we have one more member than we had at the beginning of the last Moose Year. One more member may not seem like much, but it can be quite elusive. I would like to ask for your help in this matter. As I have said before, we are all members of the Membership Committee. As a member of the committee your suggestions for increasing our membership and retaining our existing members are always welcome. If you have any thoughts or ideas don't hesitate to bring them to me.

The Governor has asked me to continue as Membership Committee chairman for the next year. As usual, I encourage you all to sign as many members as you can. We also need to focus our efforts at recovering those members in arrears. While making countless phone calls throughout the year to those members on the Arrears List I discovered that most people don't answer their phones. With caller ID features so common, if they don't recognize the number, they don't pick up. Leaving a message on voice mail did not generate many replies either. I was able to talk to a live person only about 15% of the time. Many times, I have reached out to those of you who have sponsored a member to contact them. I figure that if you know them well enough to sign them, then they will answer your phone call or perhaps you see them outside of the Lodge. As their sponsor, you were the first contact they had with our Fraternity. So, I will be talking to you or calling you for help. And I will leave a voice mail as well as respond to one. Let's get our Membership Committee active and keep our Lodge growing.

David Cramer
Ritual/Membership Chairman
