# FROM THE GOVERNOR

## Summer is almost over and Fall is on its way Welcome September

*We are well on our way towards achieving our membership goal for the 2018-2019 Moose Year. I would personally like to welcome all our new members to our Lodge and thank those that have taken the time to attend the Orientation Programs. All members, new and old, LOOM & WOTM, are invited to attend the Orientation Programs. Our new members need to know what it means to be part of the Moose Fraternity and us older members need to refresh our memories.*

### "We are much more than a Social Club"

*The Moose Ldgion 148 Summer Celebration was again a huge success, which was evidenced by the outstanding attendance. My personal thanks go out to each and every one of you who stepped up to get the Lodge ready, prepare and serve the meals and clean up after the event.*

*Our LOOM membership campaign is well under way and it applies to both those renewing their memberships and at the Lodge as well as for new members joining.*

### RENEW FOR 2 GET 3rd YEAR FREE

*The pier replacement project is under way and should be completed soon!*

*Don't forget to mark your calendars for September 15th. That is the date for the Lodge Family Picnic with the "Right Turn Clyde" band (provided by Newmarket Entertainment) playing for your listening pleasure and dancing.*

*Thank you Rick Stott, Bill Ferebee and Kevin Carr for delivering our donation and helping with the erection of the play set for the 2 year old Essex County Cancer patient in conjunction with the "ROC Solid Foundation".*

**DO YOU HAVE A COUPLE OF HOURS A MONTH  
THAT YOU WOULD BE WILLING TO DONATE TO YOUR  
LODGE and fellow members?**

**If the answer is yes please give me a call @ 540-220-4818.**  
**I really could use some help on the "Member Retention Committee."**

**Michael "Hap" Hazard  
Governor**

# From the Desk of the Administrator

*Dear Members,*

*As I am writing this the pier replacement project is under way. The old pier is “gone” and new pilings are being driven. Project should be completed soon! What a major improvement this will be for our property.*

*We have signed over 40 new members since May 1st!! Wow!! Keep up the great work guys! Just keep signing them and we’ll find room for them. The goal for the entire year from Moose International is 54 new members. I don’t think we’ll have any problem reaching that goal by April 1st. Be sure to take advantage of the new Membership Campaign that Brother Hap mention in his article.*

*Hope to see everyone at the Lodge Family Picnic on the 15th.*

*Have a great month!!*

# Moose Legion

*Dear Moose Legion,*

*The Moose Legion is known as the “Degree of Service” because of the many programs it supports. It is also possibly even better known as the “Fun Degree”. Our members do like to enjoy themselves! To have fun while providing greater service to the Moose Fraternity. Our Motto is “To do some good thing for someone each day”. To be a Moose Legionnaire, just ask for or pick up an application in the Social Quarters.*

*The Social Quarters staff did an awesome job at the Summer Celebration. I also want to mention the people that made it happen—Denny, Eddie and Betty, Linda, Eddie and Laura, Jenny, Tom and Jean, Marshall and Johnny, Dave and Ann Lipscomb, Ann Balderson, Wayne and Pat, Brenda, Fay, Efrain, Keith, Hap, Rick, Timmy, Travis, Mike, our cooks-Garnett and Bob, David Wright and his family. Please forgive me if I left you out! Very special thanks to everyone that helped make the Summer Celebration a fun time!*

*We have more things planned for upcoming events. We have to keep our entertainment chairman busy! If you have suggestions for things we can present to the Lodge for approval, please come to a meeting or let one of our Moose Legion members know.*

*George Zapantis  
Moose Legion Chairman*
