GOVERNOR'S MESSAGE:

4th of July Parade

The 4th of July parade float will be headed up by WOTM. Flyers will be going up soon to announce a committee meeting to determine the decorations. Please volunteer some of your time to be on this committee. Float decorating will start around the 28th of June. Dale City Moose Lodge has won the best float award for the last 4 years. We would like to keep that tradition going. We need your help. This always falls on 2 or 3 people. Come out and help decorate, we will provide food and drinks. Also if you have children that would like to ride on the float look for announcements on when and where to meet on the 4th. If you have any questions see any WOTM or LOOM officer

Building Update

Several things are happening with our building. We will be holding a special meeting June 22nd to discuss information provided to us by Moose International regarding gambling in the State of Virginia, some recent Moose closings, and Dispensations we will need from Moose International to proceed with the construction. The plans with the County are still moving forward for our permits and we are closing to finalizing the layout of the Lodge. The design committee will meet soon to continue moving forward. The planned groundbreaking ceremony that was going to take place on the 22nd of June will be moved to another date until we can hold the special meeting. At the meeting we will vote to approve the expenditure of funds, and vote on whether or not to build the new lodge. I know we have voted on this in the past and it was approved. However, Moose International is requiring that we vote again.

Moose Legion Breakfast

Thank you to all of you who came out and supported the Moose Legion breakfast we had the first Saturday of every month. We have suspended breakfast through the summer. We will resume serving breakfast in October. The breakfast in October will be tied to a special event that will be announced in August . The normal first Saturday of the month breakfast will resume in November.

Donations

Just a friendly reminder that we are collecting donations for pets at the front door. You will find a collection box. All items collected are taken to the Prince William County Animal shelter.

Boy Scouts

For those of you that are not aware the Dale City Moose lodge has had a long-term relationship with Boy Scout troop 1378. Over the years over 82 Boy Scouts part of Troop 1378 have gone on to become Eagle Scouts. Eagle Scout number 83 is nearing completion of his requirements and number 84 is waiting in the wings. We are very proud of these individuals and the troop. The Scouts have helped to make improvements to the lodge by installing a fire pit, stage, and seating near the pavilion. Recently they have rebuilt these features in the ball field behind the lodge. They have done a magnificent job and should be proud of their accomplishments. Recently some of the things they have done have been vandalized. Most recently flag poles were bent, and the American flag taken. If you happen to see people at the field please make sure they belong. The scouts have worked hard on these projects and we don't want to see them destroyed. If you have never been down to the field take the gravel road on the left side of the lodge and follow it to the clearing.

Moose Legion Degree of Service

Greetings fellow Moose Legionnaires. I am proud to have been appointed as the new Moose Legion Chairman of our lodge with the help of Patrick Caniff as Vice chairman and Jerry Black as assistant secretary we have a lot of new things planned. At this time, I would like to thank our Past Chairman Bill Baker and Pilgrim Claude "Chet" Heggenstaller for promoting, recruiting, and setting the example of the Moose Legionnaire. With their continued guidance we have a bright future ahead of us. Our new campaign is "Create our Future". One way to achieve this goal is to recognize our fraternal brothers who have elevated their status by volunteering at the lodge. These are some of the qualities we are looking for in new members to join our ranks of the Moose Legion. These men are not afraid to roll up their sleeves and do whatever is needed to get the job done. They are leaders, the kind of people that may be appointed a chair position of one of our committees or even officers of our lodge. These Moose Legionnaires feel an increased level of pride in membership, opportunities to be leaders and to provide additional support for the Order's philanthropic causes in relation to Mooseheart & Moosehaven are recognized through involvement in this degree. All Moose members are invited to come and support your Moose Legion. I encourage you to bring ideas and or suggestions so they may be discussed in the meetings. We are always looking for new Moose Legion members so pass the word to your friends on how great we are and what an awesome job we do! Welcome our newest members that were recently conferred at the super celebration: Dan Whetstone, Ron Thayer, Mike McNulty, and Darrin Hamm, we look forward to your continued success. The Moose Legion is known as being the "Degree of Service" because of the many programs it supports. It is also possibly even better known as the "Fun Degree." Our members do like to enjoy themselves! Our mission is: "To have fun while providing greater service to the Moose fraternity." Our motto is: "To do some good thing for someone each day."

Fraternally, Thomas Murray Moose Legion Committee 2165 Chairman
