Message from the Governor:

Be a volunteer!! What, who is he kidding. I don't have time to do things at home, why would I volunteer at the moose. I know you are saying to yourself, hold on I didn't join the moose to do volunteer work. I just want to drink a beer, have some wings, and head home. I understand, who needs one more thing to do in their busy lives. What if everyone thought that way? I am sure almost everyone has heard the famous quote from President Kennedy "Ask not what your country can do for you but what can you do for your country." The same thought applies to you being a member of the Dale City Moose Lodge. The formal definition of a volunteer is "A person that actively takes on a task, responsibility, or project on his or her own accord without needing to be assigned, ordered, or told to do so". However, I think it goes much deeper. Being a volunteer comes from the heart. You must want to do it, it means you are part of something bigger than yourself. The day you submitted your application to join the Moose you started your journey to volunteering and helping others. You agreed to help Moose Heart and Moose Haven and your community. More importantly you volunteered to help those around you. Have you ever looked around the Moose lodge and noticed people taking out the trash, or someone behind the bar loading the beer coolers? Do you ever come to the moose lodge and eat a steak, maybe enjoy some wings? Have you ever enjoyed a band on Friday night, or a football Sunday spread of food? All these things are accomplished with help of **volunteers**. Our Moose lodge only has 6 paid employees and close to 1000 members. They are the best of best. However, as good as they are, they cannot do it all. It requires team work and dedicated members pitching in to help.

We need more volunteers! The number of volunteers can be counted on two hands. We do it because we want to keep the lodge going, to make it a better place, because we agreed when we signed our application that we would put others before ourselves. You don't need to give up days or weeks to help. Helping can be as little as clearing off an empty table, taking out the trash or helping in the kitchen. We always need more people to cook steaks, seafood, wings or tacos. Cooking is not your thing how about helping decorate for a party, fill up the beer coolers, check membership cards at the door, or participate on our activity committee. I can assure you there is more than enough work to go around. So next time you are in the moose think about what you can do to help. All it takes is to raise your hand and say how can I help. I am willing to bet, if you help, the person next to you or the friends with you will want to help also.

Next time you are in the moose ask a Bartender (Mary, Jen or Kim), or our Social Quarters Manager (Larry), or Kitchen manager (Terri) how can you help.

We make a living by what we get, but we make a life by what we give

AROUND THE LODGE

ADMINISTRATOR'S CORNER:

June 2nd. I went to Mooseheart (outside Chicago) to receive my Pilgrim Degree of Merit. The ceremony was held in the House of God. This year's 100th Pilgrim Conferral consisted of 130 new Pilgrims, 7 from Virginia, that received this distinguished degree. Mooseheart is also celebrating their 105 years of existence on July 27th. I've never been so proud to be a member of the Moose.

The 100th Mooseheart High School class of 23 Seniors also graduated that day. The Mooseheart students are always so happy to see Moose members at their graduation. Needless to say, the Field House was full of Moose members cheering the graduates on. The graduates have such potential to succeed in life – this group either has a college scholarship or is enlisted in the military.

My Pilgrim Ceremony will be held at the Franconia Moose Family Center on Sunday, August 19th at 2:00 p.m. The Ceremony would normally be held at my home lodge, Woodbridge, but the Lorton Community Center had the Hall booked up for this whole weekend to distribute school supplies. I would have loved to have this Ceremony at the Dale City Lodge, but we don't have enough room to accommodate a Pilgrim Ceremony. So, Franconia generously offered the use of their Lodge for my special day. I hope you all can attend my Ceremony.

BUILDING UPDATE

Our Team is working on addressing the issues in our SUP that the County had commented on. The traffic study for the turn lanes on Cardinal Dr. has been completed.

Well, it is almost time to pack to go to New Orleans, Louisiana for the Moose International Convention, which is being held July 11-15. I will bring back any new developments to share with our Members.

Also, I plan on attending the Virginia Moose State Conference on August 22-26, in Roanoke, Virginia. I hope you can attend this conference since it's a little closer to home.
