Message from the Governor:

Summer is coming to an end and we start to return to the normal life of school, no vacation, and preparing for winter. I am very pleased to see that each week our Lodge is growing, and we are bringing on new members and reaching out to previous members to invite them back. Exciting things are happening at the Lodge. If you have not been around in a while come in and see some new faces and many of your old friends. We continue to push forward with the County on getting permits for our new building. While that happens the normal day to day operations of the Moose continue. The third Thursday at 6PM every month we will hold a new member orientation. With that in mind I thought this would be a good time to remind everyone why the Moose exists. We are an International organization of men and women, dedicated to caring for young and old, bringing communities closer together and celebrating life. We care for children in need from throughout the world at Mooseheart Child City and School, we provide for our senior members at Moosehaven, and we are the heart of the community donating \$70 - \$100 million worth of community service activities annually. We are a great place where people can come together with no judgement and enjoy the friendship of new and old friends. It is important to remember that we are more than a place to go have a beverage or eat a meal. We play a vital role in supporting the community around us. You should be proud to be a member of your Lodge and Moose International. The Women of the Moose, Moose Riders, Moose Legion and the Moose members work each an every day to support local charities and our Moose charities with donations collected from Sunday breakfasts, poker runs, corn hole tournaments, collecting school supplies and a number of other fund raisers. Our goal is to help those around us that need our help. I want to thank each an every one of you that take the time to help or to donate to our worthy causes. With that in mind, our Lodge is going to ensure our place as the heart of the community. In addition to the local baseball teams, schools, golf tournaments, boy scouts, girl scouts and charities that we support today our Lodge is going to focus on 3 primary local charities in Prince William County. I would like to ask that if you know of a charity in Prince William that is worthy of our support please let me or any of your WOTM or LOOM officers know the name. These charities will receive a special emphasis from our Lodge. We will select three charities by the end of September and make them known to the general membership. We are in many ways much more fortunate than many other people and we have a responsibility to lend a helping hand. Look for more information coming in our next newsletter. Remember **“There is no exercise better for the heart than reaching down and lifting people up”**.

UPCOMING EVENTS:

Family Fun Day is September 8th. We need volunteers to help work the booths, donate desserts, or side dishes. This year we are going all out. We are opening the event to the public and expect a very large turnout. We will have a Clown, Magician, face painting, chicken shoot, rock climbing wall, mechanical bull, ring the bell, games, prizes, free food (hamburgers & hot dogs), and music. A sign-up sheet will be placed at the bar. Show up on the 8th at 8am to help set up or show up at to help work. It's a great chance to support your Moose and local community.

FOUNDERS DAY will be celebrated on October 27th and this will be an open to the public event. Come out and celebrate the founding of the Loyal Order Of Moose. Special events during the celebration

Mark your calendars November 3rd will have our first **Comedy Night**. Three well know professional comedians will perform. Tickets will go on sale very soon. The event is limited to 50 tickets.

Horseshoe night is every Wednesday at 6PM. Come out back and throw some shoes. We will throw until it gets cold. Don't have a partner, don't worry we will team you up. As long as its not raining we are throwing.

Message from the Administrator:

I'd like to thank all of our members that attended my Pilgrim Ceremony at the Franconia Moose Lodge on August 19. A very special thanks to my wife Marlene Agnew for all of her hard work since May, to ensure that my special day had no glitches. You more than succeeded my Darling. Everyone loved the eight different flavored cakes you baked, topped with Moose from Maine. (Marlene wanted to make sure we had enough cake!) The Maine Moose coasters that were handed out with the programs were a big hit. I'd like to thank my son, Mark Richards for doing such a great job on my programs. I'd also like to thank Eva Hatch for covering the Registration Desk. A lot of people from the Franconia and Woodbridge Lodges also pitched in to help and I appreciated their help! I was so proud to see all of you and my family there.

I just came back from the Annual Moose State Conference at Roanoke where Steve Hatch was awarded his Fellowship Degree. Congratulations Steve, you worked hard for this degree. This year, Steve is the Lodge's Audit Chair. Also, congratulations to Sylvia Baker, our Chapter's Junior Graduate Regent, who received her Green Cap at Roanoke. Sylvia works hard for the Lodge, the Moose Riders and the Dale City Chapter and we appreciate all that she does. And last but not least, Terry Treadwell is now the Treasurer for the Virginia Moose Association, along with being one of the Deputy Supreme Governors of Virginia.

We missed seeing our Pilgrim Chet Hegginstaller at both Franconia for my ceremony and at the State Conference because of health problems. We are praying for Chet to get better real soon. We all miss seeing him at the Dale City Lodge.

Well, summer is coming to an end and our children are headed back to school. Kids – have a great school year. Everyone be extra diligent in watching out for the children as they are getting off the school buses.

Bob Agnew, Administrator
