GOVERNORS MESSAGE:

This month I want to share some updates, congratulations, and information as we continue to keep the doors open and monitor the COVID-19 pandemic.

First and foremost, thank you to all of our volunteers who are helping out around the lodge. I am noticing some new faces taking on some new opportunities from calling Bingo to running Bingo, cooking in the kitchen, serving tables, taking out the trash, and checking cards at the door. This is what volunteering is about and I love to see new people stepping up and giving a helping hand. If you would like to help out and maybe are not sure where you would fit, come and ask. We continue to need volunteers to work the door checking cards on Wednesdays, Fridays, and Saturday nights from around 5pm – 7pm. This is a great way to meet and get acquainted to other members. The signup sheet for this is behind the bar. Please come, sign up, and help out with this important task. The importance of this is to manage the risk of loss and maintain our not for profit tax status with the IRS and to ensure compliance with the laws of the Virginia ABC. Remember, the lodge is for members and qualified guests and it is important that we adhere to this.

On September 12, we had a visit from our Virginia State Moose Association Executive Board. They were from the southern part of the state and could have chosen any lodge to come to but they picked Dale City. They came in for steak night and Brook Yoder happened to be playing, making it a perfect evening for all. We received messages of thanks from the board for our warm welcoming and hospitality. If you were here that night, thank you members and staff for showing how great we are to our out of town guests. It was an honor having them and they really enjoyed themselves.

Congratulations to Patrick Caniff on receiving your fellowship degree on September 13 at Manassas Moose Lodge. Patrick has been an active member and board member of our lodge when his father duties and work schedule are not in the way. A Fellow is someone who has been a leader and is now an all-important mentor to newer members helping to guide them along a fraternal leadership path towards enhancing our existing programs. They continue to serve in various ways to keep their fraternal units strong, often through positive efforts in membership recruitment and retention. Patrick, congrats again on this honor and thank you for continuing to support our lodge when you can.

The Moose Legion is another degree of service to the Moose fraternity. It supports many programs like the Moosehaven Senior Medical Fund, Mooseheart Camp Ross operations, and Moosehaven Operations to name a few. If you have the desire to be part of something more significant in our organization, I encourage you to sign up as a legionnaire. To be eligible you need to have completed six (6) months of lodge membership, or sponsored at least one accepted moose member in to the order, or have been a former legionnaire who holds a current moose lodge membership. The Moose Legion is the fun degree and our mission is to have fun while providing greater service to the Moose fraternity

On September 19, the Dale City Moose was well represented at the Bull Run Bull Roast at Franconia. I was proud to see so many of our members support this event. We had around 15-20 in attendance from Dale City. It was a great honor to represent our lodge as your governor and going to my old lodge where I joined the fraternity in 2009. Thank you again, Members, for attending and great job to the Bull Run Legion for running the event.

As we enter fall, we are starting some new Moose charity activities as our holiday season approaches. Stay tuned on our Facebook page, bulletin board by the restrooms, and TV board for more information.

Thank you again,

Governor Brian BMAC McGarrigle
