GOVERNOR'S MESSAGE:

Greetings Members,

Once again I cannot thank our members, staff, and volunteers enough for their continued support of the Dale City Moose during the pandemic.

Did you know that the Moose has designated the first full week in November as Member Retention Week? This gives us an opportunity to celebrate our current members as well as encourage our expired members to rejoin. On November 5 at 6pm our membership committee will be gathering at the moose with our list of members to call and either remind them about their dues expiring or talking with them to see if they have interest in rejoining. If you would like to come down and help out, please let me know. In addition, we are running a contest. For every expired member you bring in during the first week of the month and get them to rejoin, your name will be entered into a raffle to win a year's dues paid for by Dale City.

November 7th we have a busy day here at Dale City. Come on down for some breakfast cooked by our Moose Legionnaires. Veterans get a free breakfast on the Lodge and will be recognized for their service. We will also have our gun safety class that day for those that have signed up. It will be a busy day so please bear with us during this time and of course if you want to come help out we can put you to work. November 21st we will be participating in a 5K walk for Moose charities. If you want to participate please let us know. We are looking for a good crowd to bring in the holiday spirit.

That is about all I have for this month. Everyone please stay safe and healthy.

Thank you again,
Governor Brian BMAC McGarrigle

SENIOR REGENT'S MESSAGE:

Fabulous members of the Dale City Moose....

Wow, it's already November? Where does the time go? Guess it flies when you're having fun! Let's recap:

- Our Battle of the Sexes: School Supply Edition turned out great! We raised lots of supplies that were split between an elementary, middle and highschool. The women took the battle victory and earned a Wednesday night Happy Hour! There was a big turnout for the HH and we had a lot of fun.
- In September, Movie Night was lots of fun watching Trolls World Tour, making s'mores and sipping hot chocolate under the night sky!
- In October we had a wonderful Yard Sale. Many members donated and shopped, there was a good turnout from the public as well; thanks to all who supported the event!
- We raffled off a Dog Basket to benefit K9's for Warriors.
- We raffled a Candy Wreath for Halloween.

Coming up:

- November 14th - Vendor Fair. We have assembled a great variety of vendors for your shopping pleasure. With the holidays around the corner, why not get a jump start with some great crafts, wreaths, jewelry and more! It is open to the public and will run from 10-2. You will receive a raffle ticket upon entry and can buy more for the change to win a prize donated by our vendors. We hope you can make it and are ready to shop, but please don't drop... that's added paperwork! Haha!
- Of course we will keep our basket/prize raffles going so be on the lookout for your WOTM members, or bartenders if needed, selling tickets.

Shout out to all of you who help make all we do possible! We do it cause we love it and you make it all the better! Let's keep rockin'!
