GOVERNOR'S REPORT

Ricky Kurtz

Brothers,

CONGRATULATIONS TO MIDDLESEX MOOSE LODGE 2401 FOR WINNING THE PREMIER LODGE AWARD! This couldn't be done without your support. We will continue to do new and better things in the future especially for our community. If you have any suggestions, let a board member know.

Congratulations to Joe Theimer for winning the VMA Raffle. This is the 4th consecutive year that someone from our Lodge has won.

We also won \$200.00 for increasing our membership beyond our goal set by VMA. Thanks to Smokey Eckert, Ken Moody, and Lee Paul for signing up new members this year. "Great job, guys!"

Thanks goes out to Aubrey, VeVe and Wray for updating our kitchen and making it more user friendly. "Great job!"

A big thanks to Shawna and Tabitha, our bartenders, for doing such a great job. Keep it up, ladies. "We love you!"

From the desk of the Editor

Lee Paul

Things have been busy for the last two months and it has been handled well by our Staff, Shawna, Billy, Sue, Tabitha, and Joe, as well as members who stepped up on a volunteer basis. A big "Hats Off" to Wray and VeVe Henderson, who put a lot of time in behind the scenes.

We had a couple of maintenance problems. The water went off on a recent weekend and later, the beer cooler was down.

Both problems were solved with a lot of help from Herb Thrift.

As stated in VeVe's note (page 4), we can always use more volunteers such as electricians and other trades.

The Lodge's safety Inspection has begun with all fire extinguisher being tested. More will be done.

Karaoke is still being done on some Saturdays. Donnie moved away, but we have some new DJs. Check the Calendar/Menu for the listings.

Orientation for new members has begun. All members are welcome to come and learn more about your Lodge and Moose International. The next meeting is set for September 18 from 6:30 P.M. until 7:15 P.M.

SICKNESS and DISTRESS

Mary Bolling
Maynard (Smokey) Eckert

Forest Sawyer passed away.

Please notify the Lodge if you know of anyone who should be included in this list.

A NOTE FROM VEVE

1. We need volunteers for the following projects: Chairperson to organize the Toys for Christmas program. County waste stations provide a multitude of items (used bicycles, small toys, etc.) Everyone should keep an eye out for these items. We should start now.

2. We need volunteers to power wash the exterior of the building.

3. I am in the process of trying to get the county to leave us a dumpster for our recyclables with a once-a-month pick up. If anyone has a contract with the county, let us know.

4. We need an address for Carole Harlow. She is currently undergoing chemo and we want to support her with well wishes.

5. Simon is presently at Heron's Cove recovering from back and leg surgery. I know a smile or hello could brighten his day. Smokey also needs to be kept in our thoughts and prayers. I don't know if he is up to visitors, but I'm sure Edna, his wife, would appreciate a call or a meal, or help around the house.

6. The beer cans for the Boy Scouts are no longer being picked up. This should not be a problem if I can get the county to leave a dumpster. If someone would like to volunteer to take the cans, it would be no problem.

7. We need someone to replace the burned out fluorescent bulbs. Replacement bulbs are in the supply room (corner).
